Class Photos

Class pictures will be taken during regular class times the week of Feb. 1st through 6th, for all performing classes with a costume. Please bring all costume pieces, and have your dancer's hair and make-up done as if they were performing. We will send home a flyer with package prices. If you do not wish to purchase a package, please have your dancer in their costumes for group photos. If purchasing photos, bring the money on picture day and make checks payable to Bell Photography. Thank you.

Street Shoes in the Studios

Please do not wear your dance shoes in from outside! When you do, it brings in the rocks, dirt and/or water which can ruin DT's expensive dance floors. This includes ballroom, hip hop, fitness, clogging or any shoes that are to be worn inside the studio. Parents, please remind your child not to wear their dance shoes outside. Please carry your shoes in, or keep them in a studio locker, then change them before entering the studio. We would hate to pass the expense of refinishing the floors on to you. Also, if you do not have a locker, please place your street shoes, coats, bags, and etc., on the coat racks provided in the hall; not on the dirty floors or observing benches. Thank you for your help in this matter.

Attention Competing Team Parents

Remember to reserve your lodging if planning to stay overnight for Logan, UT (March 26 & 27), Twin Falls, ID (April 23 & 24) and Lagoon (May 14th & 15th). We will not have performance times until a week or two before each competition, however you can always book your room and then cancel it if you find you don't need it when you get the times. If you wait the hotels become full and you may not be able to get a room at all.
